

Greetings,

We are writing to you on behalf of the Southern Ulster Rotary Club. Our club, formerly known as the Plattekill Rotary Club, was chartered on June 12, 1991 and in 2004 became who we are today. Since our inception we have been involved in raising funds and making donations to community and worldwide events.

Starting by selling Christmas Trees, we have expanded to several annual fundraising events. Some of our past supported projects include purchasing materials to help a school rebuild their ceiling damaged by Hurricane Katrina, influencing the county to help the Plattekill Town Library receive a new floor, purchasing a dental chair for a dental clinic in Peru, providing woodworking equipment to our schools and sending medical supplies to Kenya. Several current projects we support include:

- **2 COLLEGE SCHOLARSHIPS - We provide** two \$1,000.00 scholarships, in memory of 1st LT. Mark Dooley, to graduating seniors of Wallkill High School
- **2 RYLA SCHOLARSHIPS - We provide** Rotary Youth Leadership Awards for two Sophomore Wallkill High School students. RYLA is a nationally recognized leadership conference held at Mount St. Mary's College in Newburgh every June.
- **SPONSORE 3 FAMILIES TO ATTEND A WEEK AT CAMP SUNDOWN** - Camp Sundown, located in Dutchess County, provides a summer camp for children with XP and their families. XP (Xeroderma Pigmentosum) is a rare genetic condition characterized by the lack of ability in the DNA to repair damage done by sunlight and other ultraviolet light sources. The camp is specially designed to protect the children from ultraviolet light. Most activities are planned and designed to be done at night.
- **SUPPORT MANY VETERAN SERVICES** - These include contributions to Military Appreciation Day, Rolling Thunder Projects and the Ulster County Veterans Home.
- **DONATED 4 SHELTER BOXES TO DISASTER AREAS** - Shelter Box is a Rotary International project to provide people anywhere in the world suffering from a disaster immediate help with survival equipment including tents, cooking utensils, water purifiers, tools, solar flash lights, etc. Three of the boxes we sponsored were deployed in Nepal.
- **DONATED TO ROTARY'S POLIO PLUS PROGRAM - We donate** to Rotary's Polio Plus Program to eradicate Polio worldwide.
- **SUPPORT LOCAL COMMUNITY SERVICE PROJECTS – We provide** financial support to many local community projects including families in financial need, families with seriously ill children, local senior groups, Ulster County Office of the Aging, Boy Scout Eagle projects and local fire departments. **We provide** children with winter coats and books through Head Start and local schools. **We support** local church food pantries. **We support** the DARE Program in local schools. **We support** a local Junior Diabetes fundraiser. **We provide** grade school children with a free fishing derby in conjunction with the Plattekill Rod and Gun Club. **We provide** a free jumpy tent for town children at Plattekill Town Day, and **we provide** free hot chocolate and donuts to town residents at the Town of Plattekill Christmas Tree Lighting and bonfire

We are hosting our 2nd Annual Autumn Classic Golf Tournament to benefit our Scholarship Fund and other Community needs. It will be held at Turtle Creek Golf Course on Saturday October 8, 2016. It includes a continental breakfast, 18 holes of golf including the cart, a prime rib dinner, and prizes. Our sponsor sheet is included and we ask you to please make a donation for the tournament, either as a sponsor or through the donation of a gift, either cash or product, which may be used for a tournament prize. We have also included a Tournament Registration form so you can sign up if you want to play. Thank you for your generosity.
